

Tom Glinnan

Assistant Professor (Education)
Department of Economics, London School of Economics

t.m.glinnan@lse.ac.uk
Sir Arthur Lewis Building
32 Lincoln's Inn Fields
London, WC2A 3PH

Positions Held

Assistant Professor (Education), Department of Economics, LSE	2026–Present
---	--------------

Education

PhD in Economics, LSE	2020–2026
-----------------------	-----------

- Thesis title: *Essays in Econometric Theory*
- Main advisor: Taisuke Otsu

MRes in Economics, LSE; <i>with distinction</i>	2020–2022
---	-----------

MSc in Econometrics and Mathematical Economics, LSE; <i>with distinction</i>	2019–2020
--	-----------

BSc in Econometrics and Mathematical Economics, LSE; <i>with first-class honours</i>	2016–2019
--	-----------

Teaching Experience

As Lecturer

EC400, Probability and Statistical Inference (MSc/PhD)	2026–Present
--	--------------

EC451, Pre-sessional course for EME (MSc/PhD)	2026–Present
---	--------------

EC484, Econometric Analysis (MSc/PhD)	2026–Present
---------------------------------------	--------------

EC2C4, Econometrics II (BSc)	2026–Present
------------------------------	--------------

As Course Manager / Second Lecturer

EC2C3, EC2C1, EC1C1, Stata Workshops (BSc)	2025–2026
--	-----------

EC2C1, Econometrics II (BSc)	2022–Present
------------------------------	--------------

As Seminar Leader / Teaching Fellow

EC443, Econometrics for MRes. (PhD)	2026 – Present
-------------------------------------	----------------

EC484, Econometric Analysis (MSc/PhD)	2026 – Present
---------------------------------------	----------------

EC312, Advanced Econometrics, LSE Summer School	2026
---	------

EC402, Econometrics (MSc)	2022–2026
---------------------------	-----------

EC451, Pre-sessional course for EME (MSc/PhD)	2022–2025
---	-----------

EC102, Introduction to Macroeconomics, LSE Summer School	2024
--	------

EC101, Introduction to Microeconomics, LSE Summer School	2023
--	------

EC212, Introduction to Econometrics, LSE Summer School	2022
--	------

EC2020, Elements of Econometrics, University of London Online Programme	2021–2023
---	-----------

EC400, Introductory Course in Mathematics and Statistics (MSc)	2022
--	------

EC221, Principles of Econometrics (BSc)	2021–2022
---	-----------

Selected Research

Bounds on Inequality with Incomplete Data

with Tatiana Komarova and James Banks; *Submitted*. [view draft](#)

Quasi-Bayesian Hierarchical Models

with Desmond Fairall; [view draft](#)

Design-Based Inference for Time-Series GMM

[view draft](#)

Estimating Causal Effects using Misspecified Structural Models

Optimal Estimation and Inference for Weakly-Identified Production Functions

with Facundo Argañaraz and Stefany Moreno-Burbano

Other Academic Work Experience

Econometrics Work-in-Progress Seminar Organiser	2025–Present
Academic Mentor	2022–Present
Research Assistant , to Tatiana Komarova and Javier Hidalgo	2021–2022
Summer Student (Research Assistant) , Centre for the Evaluation of Development Policy, Institute for Fiscal Studies, London	2018

Awards

Winner , Award for Inspirational Teaching, LSESU (one awarded across LSE)	2022
Winner , Class Teacher Award, LSE Department of Economics	2022, 2023
Nominated , Award for Inspirational Teaching, LSESU	2023, 2024, 2025
Nominated , Award for Innovative Teaching, LSESU	2022, 2023
Nominated , Award for Excellent Communication and Feedback, LSESU	2022, 2023
Awarded , Richard Karl Goeltz Scholarship for PhD study, LSE	2020–2026

Personal Details

Sex: Male. **Citizenship:** British. **Non-Academic Positions Held:** President / Chairman, LSE Students' Union Economics Society, 2017–2019. **Languages:** English (native), Bengali (B1).
